## WELCOME BACK!

Spring 5

### Welcome Back to School

We hope that everyone had a safe and restful holiday.

We are looking forward to a busy half term, there is lots of learning to do and lots of things happening!

This years World Book Day is on Thursday 6th March and to celebrate the love of reading children can come to school dressed as their favourite character or in their own clothes

Parents and Carers please recycle the costumes the children have, don't buy anything new!

Our school photographer is in school Wednesday and Thursday this week.

Children will have their individual and sibling photos and will bring home a QR code for parents to order the photographs they wish.

Red Nose Day is on Friday 15th March!

Save the date. More details to follow about how we are going to Do Something Funny for Money

## UPDATES

---

### Positive Relationship and Behaviour Policy - Update

Over the last half term we have reviewed our Positive Relationship and Behaviour Policy and are delighted to be able to share that it is now ready for parents and carers to view.

This week staff in school will be working with the children in assembly about the new step model and parents and carers will be sent an overview of the policy.

The full policy can be found on our school website.

Exceptionality

Collaboration

Integrity

Respect

On Friday 7th March we want to celebrate our school core values.

The children can come into school in their core values colours and during the morning the children will engage in learning opportunities around our core values, what they represent and how we can demonstrate them every day.

More information will be sent to parents and carers of children in Nursery and Reception who have not yet been allocated a Core Value Team
