Year 3 Autumn 2018

Whole School Aims

Manor Primary School aims to develop each child emotionally, physically, intellectually, spiritually and socially so that they are able to fulfil their true potential and are prepared for the next stage in their education leading towards adulthood. At Manor we aim to achieve the following long-term aims:

- To attain a welcoming, calm, nurturing and purposeful atmosphere.
- To provide an education free from discrimination
- To provide positive role models who instil fundamental British values and prepare children for life in modern Britain.
- To provide an innovative curriculum that are the building blocks for children to be active global citizens
- To provide a school environment this is safe, attractive, stimulating and enables children to be independent learners.
- To provide to every child the highest quality teaching that enables them to learn effectively and make exceptional progress
- To work in partnership with all stake holders to ensure all children at Manor Primary are provided with a world class education

Visits and Visitors:

To enhance our learning in History this term we are organising a visit to Cannock Chase Museum

Reminders:

We ask that all children have an appropriate PE kit in school so that they can be active and enjoy the range of sporting activities that are offered.

3LW – Tuesday

3BS – Tuesday

3MC – Tuesday

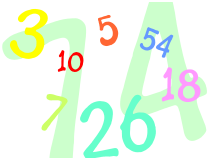

Reading books will be changed twice a week. We would appreciate all parents/carers support in hearing their children read on a regular basis. Please could you sign your child's reading record when they have read to you so they can be changed.

Our learning this term in Year 3:

English

In English we will be learning to read and write a range of texts, both fiction and non-fiction. This will include stories with a familiar setting, a range of information texts and poetry. Children will write using basic grammar and punctuation accurately. Children will develop their understanding of narrative, non-fiction texts and poetry and have opportunities to create them.

Maths

In Mathematics we will be learning to extend our understanding of number and the four number operations of addition, subtraction, multiplication and division. We will be collecting, recording and interpreting data and developing our understanding of 2D and 3D shapes. We will begin to understand the place value of digits in numbers up to 1000.

Science

In Science we be learning that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food. We will be learning that humans and some other animals have skeletons and muscles for support, protection and movement.

Geography

In Geography we will be learning about The British Isles. We will develop an understanding of how the British Isles is made up. The children will be encouraged to develop their knowledge about places and their locations.

History

In History we will be learning about what it was like for children during World War II. We will find out about a major event in world history and develop their understanding of reasons for and results of an event of such significance.

RE

In RE will be thinking about How the World Began. We will reflect on ideas of creation and investigate the ways in which the Christian, Muslim and Hindu faiths explain creation.

PHSCE

In PHSCE we will investigate what makes a healthy lifestyle, including the benefits of exercise and healthy eating. We will explore how advertising affects people's choices about food.

PE

In PE we will learn the skills applied to playing invasion games and learning multi skills.

DT

In DT we will be designing and making biscuits. The children learn how to adapt a basic recipe and investigate existing products from all cultures that will inform their design ideas.

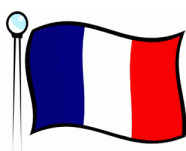

Computing

In computing we will develop understanding of animation, using digital tools to create their own animation.

Art

In Art and Design we will investigate how paintings, prints, photographs and other images communicate ideas about relationships. They focus on sketching in proportion and drawing accurately hands and feet.

Modern Foreign Languages

In French we will learn to introduce themselves, greet others and say how they are. They begin to respond to and ask questions about name and age. They begin to recognise some letter names in French.

Music

We will listen to and appraise a reggae song called Three Little Birds by Bob Marley. They will explore Pulse/Rhythm/Pitch.

At Manor Primary we aspire for each child to exceed their best.
