Dear Parents and guardians,  
**THANK YOU** for the overwhelming response to the recent school questionnaires. Your support is valued massively and we can't thank you enough for your kind words of praise and constructive feedback regarding things we can do to make things better for our children. Overall the majority of children, parents and staff feel our school is a safe and great place to be. All of the questions answered were scored out of 5 stars and this newsletter will give you a brief insight of the views and responses received. Over the next few weeks we look forward to celebrating the festive season with all our families so we wish all the children the very best with their concerts and celebrations.
