Critical Workers Update

Dear Parent/Carer,

Now we have prioritised children whose parents are both critical workers and children of single parents who are critical workers, we are now able to offer provision to families where one parent is a critical worker.

As you expressed an interest in our child care provision, we are making contact again to ask you if you are a critical worker and are not able to provide childcare to your child at home and can provide us with evidence from your employer that your role is covered in the DFE critical worker list (email/ letter from your employer that states you are required to work). Please email us and we will prioritise your child for childcare in one of our settings.

Please email info@hillavenueacademy.com with your details and evidence and we will be in touch.

Government advice is that where possible the best option is for children to stay at home to prevent the virus from spreading, please only consider this emergency childcare as the last resort.

Yours sincerely

Mr E Hateley
Executive Leader
