Growing, Learning and Shining together with God

We wanted to take this opportunity to say a huge thank you to all of our parents. You are doing a fantastic job! Our parents who are coming to school are helping to keep our school community safe and our parents at home are doing an amazing job supporting their children with their remote learning. Thank you and we will get through this.

INSET

As Monday and Tuesday are Staff Training days there will be no remote learning on Teams. However please feel free to access Oak Academy. Our remote learning will continue on Wednesday 3rd February.

A message from Reverend Nick

I'm restarting 'Not-in-School Assembly' - at 3pm on Thursdays, livestreamed on our church Facebook page and then posted online as soon as possible on YouTube. To support what you're doing at home!

Remote Learning Update

Thank you for your feedback from our Parent Survey, we have had a wonderful response and it has been fantastic to see what we are doing well but also how we can improve our remote learning.

In light of this we will be providing a live recap and reconnect session for each year group. In this session the children will reconnect with their teachers, recap the morning and have their foundation learning set for the afternoon. Also another chance to say hello to their friends!

Some parents have requested they are able to edit the pdf worksheets. As an alternative to printing worksheets at home we have created videos to demonstrate the editing of our uploaded worksheets.

Please see our website for the videos and document guides **Please continue to send your amazing work to your class teachers on a regular basis.**
