11th June 2021

It has been a wonderful first week at Manor!

On Monday our children celebrated our first Core Value of **COLLABORATION**. The children engaged in a range of learning opportunities and really did demonstrate their collaboration skills in a variety of ways.

Our core value of Collaboration will be our focus for this term and we look forward to celebrating the values of respect, integrity and exceptionalism next academic year

Children across the school will be taking part in sports days week commencing Monday 21st June.

We are unable to invite parents and carers to sports day this year but hope to be able to in the near future.

More details to follow about individual year groups sports days.

Take care in the sun

Now that the weather is sunny we would like to ask parents and carers to support us by keeping our children safe.

Please ensure that your child has a sunhat in school, they have applied sun cream and they bring their water bottle to school so that they can keep hydrated throughout the day.

Many thanks for your continued support

Start and End of the Day

Many thanks to our parents and carers for their continue support with the new start of the school day.

From next week, we are going to begin to allow parents to wait on the playground when picking up siblings from KS2. We are unable to allow parents to wait on the KSI playground.

Children must wait with parents are not allowed to run around as the playgrounds continue to be busy. This will allow parents not to have to walk around the one way system twice.

We appreciate your continued support
