18th January 2021

Thank you

We would like to thank all our parents and carers for their positive messages about our remote learning over the last two weeks.

Our aim is to ensure that we connect with our children and provide them with the opportunity for face to face teaching every day as well as have access to high quality resources that can be used independently at home.

We are currently looking at adding to the resources that children can use to support their remote learning and over the next few weeks we will be introducing Education City and Oxford Owl to our children to access at school and at home.

Non-uniform day!

This Friday, Friday 22nd January, will be a non-uniform day for everyone!

Whether learning at school or at home, wear your own clothes!!

Fruit in School

From Wednesday, school will once again be providing fruit for our EYFS and KS1 children. We are sorry for any inconvenience that has been caused over the last few weeks.

KS2 children can bring a piece of fruit for a mid morning snack.

Internet Issues

Last week we experienced some issues with our internet in school which meant that the children were unable to see their teacher.

If in the future the children find that, for whatever reason they can't see their teacher we would ask the children to leave the lesson and then wait for a message to re-join the lesson once any technical issues have been resolved.

We really appreciate parents support with this.

Remote Learning

We have been overwhelmed by the learning that our children have been completing at home. Staff are delighted to receive many emails throughout the day showcasing the children high quality home learning.

From this week the staff are going to acknowledge any emails received with a 👍, the staff will then talk to the children online about their learning the following day.

Thank you to all our parents and carers for taking the time to email us the learning, it has been phenomenal!

Reception Pick Up

To support our reception children with their fine motor skills, pencil grip and letter formation we have organised for parents to collect a resource pack tomorrow or Wednesday, if they wish.

This resource pack can also be found on TEAMS in their classroom under Non-live distance learning.

Resource packs can be picked up from our main reception between 10.00am-12.00pm

School Meals Booking System

Can we please ask parents and carers who are using the Critical Worker Provision to ensure you have booked your child's meals through your Parentmail Accounts sections for the whole week. You can book meals up to 3 weeks in advance.
