Parents Evening

Staff are really looking forward to meeting with parents next week via TEAMS. Parents evening will give staff the opportunity to discuss remote learning and how the children are engaging and how we can support children over the coming weeks to continue to learn.

Next Friday, Friday 12th February, will be a non-uniform day for everyone!

Whether learning at school or at home, express yourself!!!

We are organising a resources pick up for all parents and carers next week.

Parents can come to main reception between Monday 8th February and Thursday 11th February between 10am-2pm.

The children are going to be provided with an exercise book, pencils, pencil crayons, ruler, white board and marker, counters or cubes to support the children online learning.

Keeping in touch

Parents and Carers can continue to keep in touch with school via info@manorprimary.com or at the year group emails.

This week is Children's mental health week. It's been a difficult year for many with lock down and children's mental health and wellbeing is more important than ever. In school we are recognising the importance of healthy minds and during these uncertain times, the health and wellbeing of our pupils is a top priority.
