

# Manor Primary School

## Newsletter

8<sup>th</sup> March 2021

We are delighted to be able to welcome back all our children to school. The children have had a lovely day learning together in their classrooms and have thoroughly enjoyed being able to see their friends once again in person.

Everyone at Manor Primary would like to thank all our parents and carers for their support with our remote learning and for their positive messages over the last term.

We are now looking forward to working with our children to re-establish systems and routines to keep everyone safe and support everyone's health and well-being as we continue to learn face to face.

Thank you to all our parents and carers for all their support this morning with our children coming into school. We appreciate everyone keeping to the start times, wearing masks and being patient whilst getting our children into school.

### Keeping in touch

We would like to ask our Parents and Carers to continue to keep in touch with school via [info@manorprimary.com](mailto:info@manorprimary.com) or by the year group emails or by telephone on 01902 556460.

Please get in touch if we can help in any way.

## Rapid lateral flow testing for households and bubbles of school pupils and staff

On Sunday 28 February, the Department of Health and Social Care announced that from Monday 1 March, households with primary school, secondary school and college age children, including childcare and support bubbles, can test themselves twice every week at home as schools return from Monday 8 March. Households, childcare and support bubbles of primary, secondary and college staff can also be tested. Twice-weekly testing will also be offered to adults working in the wider school community, including bus drivers and after school club leaders. The twice-weekly test kits can be accessed:

- via employers if they offer testing to employees
  - at a local test site
- by collecting a home test kit from a test site
  - by ordering a home test kit online

We are unable to provide families with test kits from school

Congratulations to Miss North on the birth of her son.

Mother and baby are doing well, everyone at Manor sends our love and best wishes to Miss North and family.

### School Uniform

Thank you for your effort in ensuring our children are wearing their school uniform today, we know whilst school has been closed many of our children have grown!

We know in the current climate it is difficult to buy new uniform so understand that in the next few weeks children may have to wear alternatives whilst parents are sourcing new uniform

STAY SAFE. STAY WELL
