

10 Things - Year 1

Can you find your favourite book and create a storyboard for it?

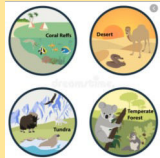

Can you use your recycling at home to make a vehicle? It could be a car, a rocket, a boat.

Can you create some Maths addition problems for your grown ups to solve. Remember to make an answer sheet for them to check their learning.

Can you think of some questions you would like to ask someone famous?

Can you draw, paint or create a habitat for your favourite animal?

Can you create your own percussion instruments? You could fill yoghurt pots with rice, use pots and pans for drums.

Can you create a practical number-line using objects around your house. 1 rubber, 2 pencils etc.

Can you find objects in your house that are taller and shorter than you?

Can you design your dream bedroom?
What colours would it be?
What would you

What would you

Can you write a letter to a friend?
What would you like to tell them or ask them?
