

Year 5 Top 10 Home Learning Ideas

Hello Year 5. We hope that you are all well and taking lots of care! We have got some exciting learning opportunities for you to get involved with at home. We hope that you are up for the challenge!!!!

You are the winner!

1. Imagine winning **£1000000** What would you spend it on? Would it be one big item, lots of little items, things for yourself or for others? Would you share it with others? If so who and how much would you give them? Would you give any to charity? If so which charity, how much would you give them and why? Calculate the cost of your items and how much money you have left over.

Books, Books, Books

2. Choose your favourite book and write a book review. Why is the book so good, who is your favourite character—why, who would you recommend the book to? Include drawings of settings and characters.

Multiplication Challenge

3. Create a poster, game or booklet to practise your times tables. Remember, you need to know all of the times tables facts and the related division facts. Play the game as often as possible!

It's all to me!

4. Greek The -loving Greeks leisure dies, by masks, char-

flocked to hillside theatres during time to see the latest plays. tragedies and satires were performed only and they wore different wigs and costumes to portray actors. All of today's plays, TV programmes and films have their

Kindness Matters

6. We all need to be a little kinder. Why is kindness important? Think about the word 'Kindness' - what does it mean to you? How does it make you feel? Draw or write ideas around the word **Kindness** to make a mind-map. Connect them to the circle with a line.

7. Messages of kindness. Write a letter, send a postcard or write a message of kindness for someone you know. Maybe it can be a thank you for something kind they did for you, or for something they often do that helps you or others.

8. Kindness will keep us together poster. Colouring is also a good way of being kind to yourself, as it helps you relax. Create a kindness poster and give it to someone you care about as a kind gift.

9. Being kind to yourself. It is important to be kind to yourself too, this means looking after your wellbeing. Think about your own wellbeing and explore ways to cope and feel better when dealing with challenges. What is wellbeing? People use this word to mean 'being happy, healthy and comfortable.' Think about the things in your life that make you happy, healthy and comfortable. Create a Venn diagram with three overlapping circles (happy, healthy, comfortable) and write your thoughts in the circles. Some things will make you feel happy and comfortable, or healthy and happy, you can write these things in the spaces where the circles overlap.

10. Think of random acts of kindness that you can carry out each day.

Keep a diary of all your daily kindness acts
