Summer 4-

My Child at School Is now Live!

All parents and carers will have received a link to to set up their My Child at School Account. The APP allows parents to see:-

- An up to date view of their child's attendance (subject to changes that have to been made by our Admin Team)
 - Amend contact details via the data collection form
 - Report absences and leave messages for our office staff
 - Access an academic calendar that show schools term dates.

We will continue to use ParentMail for the payment for clubs until the end of term and we are currently using ParentMail to book dinners but will be in touch shortly when we change the system.

On Friday, your child will bring home their end of year report. Your child's report outlines their achievements this academic year. There will be an informal parents evening on Thursday 7th July between 3.45pm-5.15pm to enable parents and carers to view learning in classrooms and to talk informally with staff. As this is an informal parents evening, appointments aren't necessary.
